

THIS SUBMISSION WAS SENT AS AN E-MAIL ON 28 APRIL 2008

Dear Ms Larkin

I refer to the letter of 25 Feb 2008 regarding the proposed changes to regulatory requirements for hospital, household, and commercial grade disinfectants.

Thanks for the opportunity to comment. The Department of Environment and Climate Change NSW has reviewed this proposal and supports recommendation 3 as the preferred option for a new regulatory framework for disinfectants in Australia.
