RE: MULTIPLE CHEMICAL SENSITIVITY;  
IDENTIFYING KEY RESEARCH NEEDS.  
SCIENTIFIC REVIEW DRAFT REPORT.

Dear Sir / Madam,

I feel hugely disappointed that your organisation does not even understand the problem with chemical sensitivity. You are not dealing with MULTIPLE CHEMICAL SENSITIVITY, BUT WITH MULTIPLE CHEMICAL POISONING. Symptoms depend on the poison or more like it, poisons involved.

Rather than trying to do research which wastes both time and money, it would be much simpler if you were to APPROPRIATELY REGULATE THE USE OF THOUSANDS OF CHEMICAL WHICH YOU HAVE ALLOWED TO FLOOD OUR LIVES, WITHOUT HAVING TESTED THESE CHEMICALS.

THE BURDEN OF PROOF SHOULD BE ON THE CHEMICAL COMPANIES AND THE REGULATORY BODY, NOT BE THRUST ON VICTIMS.  
YOU HAVE FAILED IN YOUR DUTY OF CARE.

YOU HAVE ALLOWED INDUSTRY AND THE CHEMICAL COMPANIES TO DESTROY OUR COUNTRY WE HAVE NOWHERE SAFE TO GO!

THEN YOU MAKE THE GREATEST INSULT TO OUR INJURY, BLAMING THE VICTIM eg BY SUGGESTING THAT IT IS PSYCHOLOGICAL OR IDIOPATHIC.

BY THE TIME YOU DO LONGITUDINAL STUDIES OVER GENERATIONS THE WHOLE POPULATION WILL EITHER BE SEVERELY AFFECTED OR WILL HAVE BEEN POISONED TO DEATH. WE NEED EMERGENCY HELP NOW! PLEASE STOP THE ASSAULT OF CHEMICALS!

We are already seeing a significant drop in quantity and quality of human sperm and an array of illnesses caused by chemicals to humans, animals and environment.

By the time you people "get it" the whole country will be destroyed.

ONCE THE DAMAGE IS DONE YOU CAN'T UNDO IT!  
CURES ARE NO GOOD, REMOVE CAUSE OF PROBLEM.

This ~~whole~~ <sup>whole</sup> exercise by you is a cop out to cover for your ineptness. Your organisations doing the chemical regulation, are archaic and ineffectual to the point of being VERY DANGEROUS, AND THEREFORE NEED TO BE DISMANTLED

You should be ashamed of yourselves  
if indeed you feel anything at all!

Yours sincerely

USEFUL, EDUCATED AUSTRALIAN CITIZEN  
NOW CHEMICALLY DESTROYED  
AND SUFFERING GREATLY  
(LIKE MILLIONS OF OTHERS!)
